

Mr. H. Gates Lloyd  
Deputy Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Lloyd:

Please refer to your letter of August 10, requesting that GSA provide for direct financing for Fiscal Year 1958 for three specified properties.

We propose to revise the data on your space requirements for 1958 furnished in response to GSA Circular No. 108 to include the three locations in the District of Columbia for direct appropriation to the General Services Administration. The [redacted] space should be continued in your appropriation budget for reimbursement to GSA.

With respect to the [redacted] project, although approval as a purchase contract acquisition has been given by the Public Works Committee of Congress, the Bureau of the Budget has not given approval. No action can be taken or programmed until the project has been fully approved.

STATINTL

Sincerely yours,

(S) [Signature]  
Commissioner of Public Buildings
